**Food allergies and intolerances:** Please ask a member of staff if you require information on the ingredients in the food we serve.

We try to source most of our produce from local suppliers. These suppliers have been chosen based on quality and reputation. Our menu is made fresh when you order so if there is something you fancy that is not on the menu just let us know and we'll do our best!

As we freshly prepare all meals when ordered there can sometimes be a longer wait than usual at busy times (The member of staff at the counter will let you know if this is the case and if the wait is longer than 20 minutes).

**Harington's, Hathersage Butchers:** Quality local butchers just down the road on the junction.

**Bakewell Pudding Shop:** Bread, Scones, Oatcakes all made fresh the morning they are delivered.

**Tomson's Fruit and Vegetables, Buxton:** Fresh fruit and Vegetables supplier.

**Middleton's Dairy, Hathersage:** Local dairy just out of the village. They also supply us with our free-range eggs.

**Holdsworth Ltd, Birchall Food Service and Windsor Food Service:** We use these for our dry and frozen goods produce so we can get the best quality around. They supply us with our Fairtrade tea and sugar.

We try to provide as many vegan and vegetarian options as we can so if you require any information regarding this or allergen information then please ask a member of staff.

Any feedback is greatly appreciated so please look at us on TripAdvisor or feel free to ask for the manager.
